

**Eligibility to Participate in Initial Public Offerings (FINRA Rules 5130 & 5131)**

FINRA Rules 5130 (the “New Issue Rule”) and 5131 (the “IPO Allocation Rule”) govern the eligibility of accounts to purchase, and receive allocations of, shares of equity securities in Initial Public Offerings (“New Issues”). To ensure compliance with these rules, before your account was approved to purchase new issues, you were required to submit an Initial Public Offering Certification Form (“certification”) to us making the following representations:

- The account is eligible, because no ***Restricted Person*** or ***Covered Person*** holds a ***Beneficial Interest***, unless a ***General Exemption*** applies;
- You will not act as a ***Finder*** or in a fiduciary capacity to any managing underwriter of any ***New Issue***; and
- You will notify us promptly if any of the information in your certification has changed.

Definitions of the terms in bold italics, are included in the enclosed as well as on the “IPO Certification Form” available at [www.stifel.com](http://www.stifel.com) under the “Individuals” section.

Our records indicate that you previously completed a certification making the representations above for the account(s) indicated above. In order for the account(s) to remain eligible, we must verify that the representations are still accurate annually.

- If the representations for the account(s) are NO LONGER ACCURATE, please acknowledge the change of status by signing below and returning this page to your Financial Advisor as soon as possible.
- If the representations for the account(s) remain ACCURATE, YOU DO NOT NEED TO RESPOND. The status of the account(s) will be deemed to have been verified through negative consent.

If you have any questions or comments regarding this or any other issue regarding your account(s), please contact your Financial Advisor.

Thank you for allowing us to continue addressing your financial needs.

**Status Change:** I am no longer eligible because I am either a ***Restricted Person*** under FINRA Rule 5130 or a ***Covered Person*** under FINRA Rule 5131 and a ***General Exemption*** does not apply, or I may act as a ***Finder*** or in a fiduciary capacity to any managing underwriter of any ***New Issue***.

## **Other New Issue Rule and IPO Allocation Rule Definitions:**

**Associated Person or Employee of a FINRA Member Firm:** (1) Any natural person registered with FINRA and (2) any natural person, whether or not registered or exempt from registration with FINRA, who is a sole proprietor, partner, officer, director, or branch manager of a FINRA member firm, or any natural person occupying a similar status or performing similar functions, or any natural person engaged in the investment banking or securities business who is directly or indirectly controlling or controlled by a FINRA member firm (for example, any employee).

**Beneficial Interest:** Any economic interest, including the right to share in gains or losses. The receipt of a management fee or performance-based fee for operating a collective investment account, or other fees for acting in a fiduciary capacity, shall not be considered a beneficial interest.

**Collective Investment Account:** Any hedge fund, investment partnership, investment corporation, or any other collective investment vehicle that is engaged primarily in the purchase and sale of securities. A “collective investment account” does not include a “family investment vehicle” or an “investment club.”

**Covered Non-Public Company:** Any non-public company satisfying the following criteria: (i) income of at least \$1 million in the last fiscal year or in two of the last three fiscal years and shareholders' equity of at least \$15 million; (ii) shareholders' equity of at least \$30 million and a two-year operating history; or (iii) total assets and total revenue of at least \$75 million in the latest fiscal year or in two of the last three fiscal years.

**Covered Person:** Any executive officer or director of a public company or a covered non-public company, or a person materially supported by such executive officer or director.

**Executive Officer or Director:** Any (i) person named as an executive officer or director in a U.S. public company's most recent proxy filed with the SEC or in an annual report filed with the SEC on Form 10-K or Form 20-F; (ii) executive officer or director of a foreign company that is registered with the SEC under the '34 Act, as amended; or (iii) executive officer or director of a covered non-public company.

**Family Investment Vehicle:** A person with investment authority for a “collective investment account” that is a “family investment vehicle” is not a “restricted person” for the purposes of Rule 5130. The amendments align the definition of a “family investment vehicle” with the definition of a “family office” under the Investment Advisers Act of 1940, so that a “family investment vehicle” is defined as a legal entity that is beneficially owned solely by “immediate family members” (as defined in Rule 5130), “family members” (as defined under the Investment Advisers Act), and/or “family clients” (as defined under the Investment Advisers Act). FINRA removed a condition that would have required the person with investment authority to be an immediate family member.

**Finder:** A person who receives compensation for identifying potential investors in an offering.

**FINRA Member:** A member of the Financial Industry Regulatory Authority or any person or entity associated with a FINRA member firm.

**Immediate Family Member:** A person's parents, mother-in-law or father-in-law, spouse, brother or sister, brother-in-law or sister-in-law, son-in-law or daughter-in-law and children, and any other individual to whom the person provides material support.

**IPO Allocation Rule:** As defined under FINRA Rule 5131.

**Limited Business Broker-Dealer:** Any broker-dealer whose authorization to engage in the securities business is limited solely to the purchase and sale of investment company/variable contracts securities and direct participation program securities.

**Material Support:** Directly or indirectly providing more than 25% of a person's income in the prior calendar year. Members of the immediate family living in the same household are deemed to be providing each other with material support.

**New Issue:** Any initial public offering (IPO) of an equity security as defined in Section 3(a)(11) of the Exchange Act, made pursuant to a registration statement or offering circular.

**New Issue Rule:** As defined under FINRA Rule 5130.

**Public Company:** Any company that is registered under Section 12 of the Securities Exchange or files period reports pursuant to Section 15(d) thereof.

**Qualifying Private Fund:** An unaffiliated private fund invested in an account that:

- 1) Is managed by an investment adviser;
- 2) Has assets greater than \$50 million;
- 3) Owns less than 25% of the account and is not a fund in which a single investor has a beneficial interest of 25% or more;
- 4) Was not formed for the specific purpose of investing in the account.

**Sovereign Entity:** A sovereign nation or pool of capital or an investment fund or other vehicle owned or controlled by the sovereign nation and created for the purpose of making investments on behalf or for the benefit of the sovereign nation.

**Sovereign Nation:** A Sovereign nation or its political subdivisions, agencies, or instrumentalities.

**Unaffiliated Private Fund:** A “private fund,” as defined in Section 202(a)(29) of the Investment Advisers Act, whose investment adviser does not have a control person in common with the investment adviser to the account. A control person of an investment adviser for these purposes is a person with direct or indirect “control” over the investment adviser, as that term is defined in Form ADV.
